Scrutineers Seminar II 2018
12.04. – 14.04. 2018
SLOVAKIA RING

1. Facts

Place : SLOVAKIA RING, Hotel RING

Participated countries : 10 countries from CEZ (Slovakia, Slovenia, Czech republic, Croatia, Poland, Austria, Hungary, Bosna Hercegovina, Albania, Macedonia,)

Number of participants : over 50 participants

FIA Speaker : Manuel Leal

Main topic/goal :

- Organized practical training for scrutineers leading by FIA Technical Department with introducing new tools and electronic aplications for checking modern sport cars technology.
- Harmonize the process of scrutineering on the FIA sancioned events and the FIA CEZ and National events.
- Outputs of delegates from each country about their national groups

Theoretical part

As you can see hard work and full concetration

Practical part

- Practice in paddock with Manuel
- After theory speaker Manuel showed direct examples what is need to be done
- Asking/answering questions
- Have a discussion about practice

Driving academy

- Participants also tried our driving academy
- Professional instructors took care of the participants
- They taught them the best driving technique in crisis situations

Thank you for your attention
